

UNION COLONY SCHOOLS TECHNOLOGY USER AGREEMENT

Union Colony Schools encourage students to use the Internet and electronic communications such as e-mail, to help them with their schoolwork. Using the school computers and the Internet is a privilege, not a right. Students have no expectation of privacy when using the school’s computers. Students are expected to comply with the following rules:

I AGREE TO.....

- Use the Internet only when the teacher has given me permission.
- Tell the teacher immediately if I unintentionally access inappropriate material while using the Internet or electronic communications.
- Never log in with someone else’s name and password.
- Never give others personal information while using the Internet or electronic communications unless specifically approved by the teacher or counselor.
- Never arrange face-to-face meetings with persons met on the Internet or through electronic communications.
- Not vandalize technology equipment or the school’s network. This will result in cancellation of privileges and may result in school disciplinary actions and/or legal action.
- Only use licensed software provided by the school. I will not load any personal software onto the computer.

I have read, understand, and will follow Union Colony Schools’ policy on Student Use of the Internet and Electronic Communications. I understand if I do not follow this policy, I may lose access to school computes and disciplinary and/or legal action may be taken.

PARENT OR GUARDIAN

Parents are always welcome to come to school and observe how students use the computers, Internet, and electronic communications. Please make arrangements with your school in advance.

If the user is under 18 years of age, the parent or guardian must also sign this agreement.

As the parent or guardian of this student I have read, understand and will abide by Union Colony School policy on Student Use of Internet and Electronic communications.
